

Hello!

I'm very excited to introduce myself as the new Director of Education at The Grand! As an Ellsworth native, I spent childhood watching shows, attending events, and even performing at The Grand. It is my pleasure to announce that my return to The Grand will begin with the launch of our revised Summer Intensive programs. I believe our team has created an experience that is vibrant, robust, and engaging for all ages.

Jasmine A. Ireland

To comprehensively train our students, we have created a curriculum that is both instructive and immersive. Students will not only rehearse for their respective productions, but also receive daily instruction in acting, movement, and voice. Every Friday, students will participate in our "Tech Day" which will include a series of master classes, special guest technicians, and hands on work. To broaden their exposure to the various facets of theater, students will also have the chance to work with a guest artist 3 days a week. Some of these workshops will include stage combat, puppetry, directing, mask work, dramaturgy, theatre etiquette, and more. Wednesdays will be special days here at The Grand as we explore the world of musical theater through film. From 1-3 pm every Wednesday, enrolled students will view an in-house musical movie at The Grand. The movies are included as part of the session, but tickets will also go on sale for the community.

Our "littles" will be performing an original work *Dust Devils* by our own Executive Director, Nick Turner. With lots of flexible casting and a handful of beautiful songs; this is sure to be a hit with our youngest thespians. Our junior division will be working on *Legally Blonde*, *The Musical JR*. a smash hit on Broadway that features fun pop songs and lots of dancing. Finally, our senior students will premiere the first ever student production of *Heathers, the Musical (High School Edition)* in the state of Maine!

Again, I am thrilled to be returning "home" and hope to provide your child the kind of wonderful experiences I had when I was young. This is only the beginning of great things to come. I look forward to working with you, your children, and the community.

Sincerely,  
Jasmine A. Ireland  
Grand Director of Education
